## EXPERIENCE

### Training program at Capgemini (Aug-Oct 2022)

I have gone through a training program which was conducted by Capgemini for freshers and also cleared the L1 test.

In this program I learned so many new things about software development and system programming using C.

## PERSONAL PROJECTS

### File-Management-System (FMS)

- A client-server based file-management system just like google-drive.
- Tech-stack: TCP concurrent server, System-Programming, C.
